

Italy

Residence by Investment Program

As a globally recognized tourist destination with major cities including Milan, Rome, and Venice, Italy offers investors access to a strong, well-connected EU market. The Italy Residence by Investment Program is designed for foreign investors who are committed to making a significant contribution to the country's economy, granting them Italian residence and visa-free access to Europe's Schengen Area.

Population: 61 million
n:

Languages: Italian, German, French

Economy: Diversified

Currency: Euro

Program overview

- Minimum investment EUR 250,000 to EUR 2 million
- Processing time of three–four months
- The right to live, work, and study in Italy

Key benefits

Visa-free travel across Europe's Schengen Area

Residence in a country with a rich culture, attractive industries, and major global cities

Attractive tax regime

Access to excellent medical care and education facilities

The right to apply for Italian citizenship after 10 years of residence

Procedures

The investment must be made within three months of entry into the country. To obtain the visa under the Investor Visa Program, investors must purchase or rent residential real estate in Italy following approval. Under the Elective Residence Program, applicants must demonstrate a stable income and have residential real estate following approval. The visa is granted for two years and is renewable for a further three-year period, provided that the investment is maintained.

- Client contacts Aura Solution Company Limited
- Initial due diligence checks completed
- Client agreement signed and retainer paid
- Application submitted to the authorities
- Investor visa committee responds within 30 days

Application approved, and applicant awaits visa issuance from consulate

Applicant registers in Italy as a resident and is expected to make Italy their new home, thereby becoming a taxpayer

Italian residence permit granted for two years and permanent residence possible after five years, provided the applicant has relocated to Italy

Main applicant requirements

Applicants can choose to invest in either of the following two program options:

-  Under the Investor Visa Program, applicants must satisfy one of the following three requirements:
 - A minimum of EUR 2 million in Italian government bonds
 - A minimum of EUR 500,000 in Italian shares (EUR 250,000 for innovative start-ups)
 - A minimum non-refundable donation of EUR 1 million in projects of public interest in Italy
-  Under the Elective Residence Program:
 - This program option is suitable for individuals who can prove their stable annual income at a certain quantity from abroad, maintained for the validity of the visa
